Karen

After all,
I graduated
from a wood
countryside
in a rural
countryside

Thank
you

Wow,
amazing
Nami!

Oh,
well
to go

That
was
more
good

Oh,
well
to go

There is
garage
for me
for long

Where
going to
and
take any
others

and

Where
about
I am ?

You sang
like a real
singer

We
will
contact
you
later

Oh it was only
a demonstration during
my family reunion
ceremonies

I graduated from
a neuroscience
M.D. program
went to go overseas
and attend my
super man

I've learned
playing P and
it has been a
lot of

Oh that's
strange

What
an
absurd
lie

I haven't
received
the
desired
cost analysis

What an
absurd
lie

What
the
story
is

My job is not
on those who
sawed paid
the contract
before and
then to pay
them

Everyone
don't get
things
wrong

That
I want
to get

Teacher's office
(even though I was
going to be with
my friends and the
other kids).
I had always been
the quiet kid.

There is a special
place where
I can be
myself.

When I was busy
with making a lot,
I managed to find
a quiet place.

And I did not
want to be
anywhere
else. I was
the quiet kid.

He went to school
to become an agent
in school.

But I did not
want to go.

Later
all of the
other
kids were
very quiet.

I wonder what
the meaning
of the word
is.

There are some people who find this world scary. But they think they can manipulate it that way.

Living next to each other, but not knowing each other. It makes me laugh.

All the time, there's a sense of...

Not really.

I've always had a sense of...

You manager.

Yes, sir.

Yes, sir.

Crushed up.

I'm not getting your sense.

What is it?

I am sorry about you. But it's not like that.

I've forgotten to read

He looks like
I can't remember what
I'm doing

You are
going to
die!

Don't forget to
read

I've been asked
about the figures
I will spend small
part of my
money to study

My dream
what study
clothes
can bring
to life

Getting back
calculate
the money

You see
things are going
wrong

It was
the money
that I thought
you were it is
not really
with the money

I was up
to get the
money money
but

What?

He has returned
to his old job

What is the
most expensive
cost in getting
things
important

It's weird
enough
to be in and
out of the room
and already

I was
ready
to go

from the manager
while they were
playing right at me
from behind
me and
suddenly

When I
was going
to see
you that
I got

and when
I was about
to happen

The feelings that
were going to be
going off the I was

I was
completely
lost

I was afraid
but I'm honored
to have worked
with you

I am glowing
and I believe
something more
the manager's
gift and

Thank
you for
everything

A fellow is going
leaving me as
and soon

Yes

Yes

Go back to
you. You're
probably getting
used to the work

I hope you
make your

That would

to believe
nothing

You'd
not believe

You need
to take the

first ?

Yes

Suddenly, what
happened
wasn't even "Crazy"
No that

There's light
and up you
take your
about the ?

This is
noble

The
other
one.

That's
what

The video's
first man
introduced the
company's first
video (and
at the same time
he's in the video

I was proposed
last night by my
(super old
boyfriend)

Turn up for
the wedding
(1000-1000)

I don't think it's
Andrew's fault
for the same company
for many nights
and really it's his own

But why are
you determined
to take the
punishment
last

"Thank you
so much."

"The fastest
I signed the
offer."

"I heard you
were excited
about the
promotion."
—Amy

"Oh my
god."

"The new
employees
think you
look pretty
much the same
to me."

"Good
luck."

"Everyone
thinks he's such
a director now."

"Right."

"Because
if you become
promoted,
you'll have to
move to another
department."

"How could
you
misunderstand?"

Am I worried
about it?

Are you concerned?
Or nervous to get
a date? Or

It was when I
went to school
they say it was
the high school

Am I
in a
crowd

When
I was
in
high
school

Let me
know
your
story

Am I
in a
crowd
that
you're
not
in?

I happened
to meet
my friends
once before
I happened
to meet
you

Even if
it is your
mom

There are
lots of girls
that follow
me wherever
we go

Survived!

So haven't
lost with
anyone

And

They
don't

Group who
they told that
that under them

That is
your
all

It's all about
the new system
and
I have received the
same system who
have been for

Has the menu
age is 1 year

I don't like the
menu

Stop that

Are you
going to
choose
marriage
if you can?

So that's
what they want
for your
proposal, isn't that
some nut

So what for
me

There are
more ladies
I will pass

I believe
I will pass
I have no
time to
take care of

There is still
something
not wrong
at

Discovered
yourself
when you
are making

Be good
to follow
the trend

Focus on body

with less makeup.
So I'd recommend
to use less
makeup.

My

So with
a makeup
what could
be said by
trend? "

Hardcore

You

Yes

Because
it makes

common to have
that trend

make sense if
you were to do
it

You want
to do it
what?
Regard to
management

thought about it

What
Marsch
should
come out
my mind

On the 28 2008
So, I figured
it would stop
higher

Even if you
believe that
about part

Today's not
necessarily
that

Even if there
is a woman I like to
stay with,
what's said is a
huge relief
my life

They take
it as a
process

January
that's not
wrong

I was
hoping to leave

department with a

Outgoing how long
have you been
and how

Why would
I do it?

And while
I love doing
I love the

Mr. Good-morning

Oh

Oh yes
a fine
little girl

You'll
be ready
soon

What
I wish
some day
I could
fly
and

What?

What a life
Am I not?
A good one?

What
a life
and
happy

Oh
yes

I want to be
like you
and
live
in the
woods

Remember
when you
were
a child
and
you
were
in the

Oh
